- Proposed Roads Short Term Use
- Proposed Roads Temporary use
- VCU Boundaries
- Proposed Log Transfer Facility

Map constructed by Chatham Area GIS
Contours are shown at 500 foot interval

Scale 1:63,360

NOTES:
The theme of this alternative is to focus development activities in the VCU adjacent to Peril Strait (except Lake Ave.) while maintaining Kelp Bay in its current condition. This approach emphasizes maintaining the primitive and semi-primitive character of Cosmos Cove, The Basin, South Arm, Middle Arm and Southwest Catherine Island.
